INTRODUCTION

The Association of Geologists and Mining Engineers of Cyprus in collaboration with the Hellenic Committee of Hydrogeology, member of the Geological Society of Greece, organize the 12th International Hydrogeological Conference which will take place from 20-22 March 2022, in Nicosia (Lefkosia) Cyprus, at the University of Cyprus.

The 12th International Hydrogeological Conference envisages in convening people from the academia, the private and the public sector, dealing with all aspects of groundwater. The conference will be held under the auspices of the Minister of Agriculture, Rural Development and Environment of the Republic of Cyprus and it is supported by the Geological Survey Department of Cyprus and the Cyprus Scientific and Technical Chamber.

This conference aims in gathering and disseminating knowledge and good practices on dealing with increasing pressures and challenges on groundwater resources, protection and management, in our ever-changing environment driven by climate change.

The main activities of the conference will take place in Nicosia (Lefkosia) Cyprus, on 21-22 of March 2022, at the University of Nicosia. On Sunday 20 of March a field trip at Troodos UNESCO global Geopark that is considered as a unique world geological heritage natural site, will be organized.

MAIN SUBJECTS

1. **Impacts of Climate Change on Groundwater**
 - Water safety
 - The Impact of natural disasters and extreme phenomena

2. **Environmental Hydrogeology in the light of climate change**
 - Emerging pollutants
 - Aquifer vulnerability
 - Protection zones
 - Pollution: monitoring and management.
 - Waste disposal and management
 - Sea water intrusion

3. **Water management in the mining industry**
 - Mining / Quarrying
 - Hydrocarbon fields

4. **General Hydrogeology**
5. **Karstic Hydrogeology**
6. **Fractured Aquifers**
7. **Applied Hydrogeology**
 - Hydraulic engineering
 - Engineering geology
 - Artificial aquifer recharge

8. **Hydrogeochemistry and Isotopic Hydrogeology**
9. **Remote Sensing and Aquatic Environments**

10. **Geothermal, Thermal and Natural Mineral Waters**
11. **Hydrology**
 - Interaction of surface and groundwater

12. **Groundwater Numerical Modeling**
13. **Economic Management Policy and Water Rights**
 - Pricing policy
 - Water cost
 - Transboundary aquifers

LANGUAGE

The official languages of the conference are Greek and English.

ACTIVITIES

- Opening Ceremony
- Oral and Poster Presentations
- Field Trip

REGISTRATION

The submission of papers as well as the registration to the conference should be done through the website of the conference (www.Hydrogeologyconference2022.com.cy).

PAPER SUBMISSION

The conference proceedings with full papers will be published in digital form and will be given to the delegates at the beginning of the Conference. The full papers must be submitted by the 15 December 2021. Papers should be written either in English or Greek with an English summary. Authors, should follow paper format instructions given in the website (www.hydrogeologyconference2022.com.cy). Paper submission is mandatory for any the presentation (oral or poster). For each paper accepted a subscription (50 or 70 €) is needed.

REGISTRATION FEES

For all the participants (before 15/12/2021): **50 €**

For all the participants (after 15/12/2021): **70€**

Students: **25€**

Field trip participants: **20€**

Registration fees grants:

- Entry and participation to the conference,
- Coffees, Drinks and lunch for the two days of the conference
- Certificate of Attendance

Registration payment can be carried out with the following ways:

- a) Via direct deposit in **Hellenic bank** and the account: **143-10-G45511-01** with the name of the participant
- b) Via money transfer:
HELLENIC BANK
Beneficiary Name: Association of Geologists and Mining Engineers of Cyprus
IBAN: CY05 0050 0143 0001 4310 G455 1101
SWIFT(BIC): HEBACY2N
- c) Via credit card (<https://www.jccsmart.com/>) through the website with reference to the above-mentioned details.
- d) Via registration on location, before the beginning of the conference.

In case of paying through the Bank or via JCCSMART (<https://www.jccsmart.com/>), a photocopy of the deposit should be sent to the Conference Organizing Committee's online address (info@hydrogeologyconference2022.com.cy).

PRESENTATION OF PAPERS

Oral presentations should have a maximum duration of 15' minutes, will be computer assisted and the presentation material should be in English. Even if authors want to present their work in Greek. Posters will be posted in the relevant area of the conference center.

Poster size should not exceed 84cm in width and 120 in height. If the content of the poster is in Greek the title of the paper, author's names, keyword and affiliations should be in English.

SAVE THE DATES

- Abstract submission deadline : 15 December 2021
- Early registration : 15 December 2021
- Late registration : 20 March 2022
- Opening ceremony : 20 March 2022

VENUE

University of Cyprus

1 Panepistimiou Avenue
2109 Aglantzia, Nicosia
